Introducing ***Camilla Learns to Shine*** — a heartwarming picture book that takes young readers on an underwater adventure with Camilla the cuttlefish and her loving mother. As Camilla navigates the colorful coral reefs, she learns valuable lessons about self-acceptance, kindness, and the importance of using her unique talents to make a positive impact on others. Along the way, young readers explore the remarkable world of cuttlefish through interesting facts about various species of cuttlefish and other marine life.

Dive into *Camilla Learns to Shine* today—an unforgettable adventure that celebrates diversity, resilience, and the power of compassion.

### “Amazing Introduction to Marine Biology and Self-Acceptance”

This delightful book is overflowing with accurate and age-appropriate scientific information and engaging artwork. It is difficult to find children’s story books that also contain interesting non-fiction information.

As a parent, I believe the message of self-acceptance and appreciating one’s unique talents is sorely needed in this day-and-age. I highly recommend this book for teachers’ classrooms as well as home collections. Children will look back fondly on the book that “hooked” them to love and want to learn more about the wonders of marine life!

- Sarah Pullman

### Highlights

- **Educational Journey:** *Camilla Learns to Shine* takes young readers on an educational journey through the underwater world of cuttlefish, teaching them fascinating facts about these intriguing creatures.
- **Empowering Message:** Through Camilla’s story, children learn valuable lessons about self-acceptance, kindness, and the importance of using their unique talents to make a positive impact in the world.
- **Captivating Illustrations:** Vibrant imagery brings Camilla’s underwater adventure to life, captivating children’s imaginations and immersing them in a visually stunning world of coral reefs and marine life.
- **Inspires Compassion:** Camilla’s acts of kindness and compassion inspire children to spread joy and make a difference in the lives of others, fostering empathy and a sense of social responsibility.
- **Why Parents Should Buy:** *Camilla Learns to Shine* is an entertaining and educational book that addresses several social-emotional issues and encourages curiosity about the natural world.
